TRADITION • PASSION • COMMUNITY • SUCCESS

For over 100 years, Waldorf University has been providing academic excellence to its students in the friendly, safe environment of Forest City, Iowa. Located centrally among seven of the Midwest's most populated regions, Waldorf students experience the best of both worlds – the small-town charm of Forest City and the big city appeal of Des Moines, Chicago, Minneapolis and more – all within driving distance.

You'll love the charm of the campus, as well as our community, with 15 miles of paved bike trails and a 26.1 mile Winnebago River water trail for you to discover. We are also one of the smallest communities in the U.S. to offer a full-service YMCA facility.

We pride ourselves on four pillars that describe the Waldorf University experience: Tradition, Passion, Community and Success. They are foundational to Waldorf's history, reflective of Waldorf's present and aspirational to Waldorf's future.
